

Do you know what financial support is available if you need to self-isolate?

If you're on a low income, cannot work from home and face financial hardship because you have to self-isolate due to COVID-19, you may be able to get a support payment of £500. This is also available for parents and carers of children who are told to self-isolate by their school.

You may be eligible for a payment from the main scheme, or our discretionary scheme in Barnsley if you can answer 'yes' to all of the following questions:

Are you or your child self-isolating because of COVID-19?

Are you unable to work from home?

Are you receiving a benefit or on a low income?

If you do need to apply for either scheme, there is information you will need to provide as evidence, full details of what this includes as well as more detail on who can receive a support payment can be found on our website at

barnsley.gov.uk/covid-19-test-and-trace-support-payment
