

Dear Parent/Carer

Monday 27 March 2023

Our extra-curricular clubs are detailed below for the Summer 1 term. Clubs can be booked via Schoolcomms from **today** until **Sunday 16 April**. All clubs will run from 3.05 pm to 4.05 pm.

This year, all classes will receive one free sports club to support pupil well-being and parents in the current climate. Due to staffing and timetabling, classes have been allocated a term that the club will be free in. Therefore, unfortunately this is not flexible and can only be used on the allocated club.

Every club has a limited number of spaces and will be allocated on a first come, first served basis. Once you have paid the club payment option will disappear from the payments list and you will receive your email receipt of payment, this is confirmation that your child has a place in the chosen club. Once a club is full, the payment option will disappear so that parents are aware that the club is full. Please note that once you have paid for the club, no refunds can be given should your child miss a session.

Please remember that our extra-curricular clubs do finish at 4.05 pm PROMPT.

Please also bear in mind that if there isn't sufficient uptake for a particular club, then this will unfortunately have to be cancelled and a full refund will be given.

We do appreciate the high demand of our extra-curricular clubs and also that this should be an enjoyable experience for ALL the children and staff participating. Therefore, if your child does not follow the school's behaviour rules, the privilege of attending the relevant club will be withdrawn (you will be informed of this decision).

When collecting your child from the club, please **DO NOT** Park in the staff car park. You will need to park on the main road and walk to collect your child from the **HUB door**. We would appreciate it if you could pass this message on to any other adults that may be collecting your child from the club on your behalf. **This is for the safety of ALL our children.**

Thank you for your understanding and co-operation.

Heather Garth Primary Academy
