

# Sports Premium Report 2023 – 2024

## Background

In April 2013, the Government announced new funding of £150 million for physical education (PE) and sport. This funding should be used to improve the quality and breadth of PE and sport provision. Funding will be allocated to all maintained and state-funded schools with primary phase pupils, including: primary, middle, special and non-maintained special schools, academies and pupil referral units from 1 September 2013. From September 2017 primary schools will receive double the amount to improve the quality of sport and PE for all their children.

## **For the academic year 2023-2024 Heather Garth Primary Academy will receive £17,750**

The breakdown of this allocation for the academic year 23 -24 is as follows:

- number on roll (Y1-Y6) taken from the January census.
- schools with 17 or more eligible pupils will receive £16,000 and an additional payment of £10 per pupil

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

## **Spending the 'Sport Premium' funding**

We believe that a key resource at Heather Garth is our teaching and support staff, therefore we are looking at several ways of ensuring we build a sustainable future for our school as well as ensuring the Sports Premium increases confidence for both adults and pupils alike. Each and every child is encouraged to participate in physical activity and understand the benefits such as: respecting themselves and others, never giving up, making the right choices and contributing to the community.

## **Key Indicators**

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport

# Sports Premium Report 2023 – 2024

- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

## Swimming and Water Safety

	2023 - 2024	2022-2023	2021 - 2022	2020 - 2021
Percentage of cohort who can swim competently, confidently and proficiently over a distance of at least 25 metres?	27%	70%	45%	67%
Percentage of cohort that could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	27%	43%	31%	64%
Percentage of cohort who can perform safe self-rescue in different water-based situations?	27%	100%	86%	64%

The swimming area of study for the National Curriculum is taken up in Year 4.

This has been changed from Y3 to Y4 in Academic Year 2022 – 2023, due to the impact of COVID and the number of Y3 children that were still not meeting the national curriculum targets in 2021 – 2022 in after the delivery of the core sessions in Y3.
