

Due to the continuing COVID 19 measures in place by the UK government, your child's class teacher will be providing work for your child in the coming weeks via our school blog. This will include a number of online learning resources/portals that have become free to parents/carers in recent weeks.

If you are unable to carry out any of the online tasks then alternatives will be provided that your child can complete in their home school book that already has suggestions for activities to do at home. Please use the grid activities below rather than these!

Each Monday (by 9.30a.m), the class teacher will upload the following grid to the blog outlining the activities they recommend for your child and where to find them. White Rose Maths Hub, the scheme of learning we use to support the teaching of maths in school, are also providing daily video tutorials/lessons and corresponding activities that we will be directing you to.

	Monday	Tuesday	Wednesday	Thursday	Friday
Number songs and rhymes	https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-counting-songs/zn67kmn Sing 5 little speckled frogs with your grown ups	https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-counting-songs/zn67kmn Sing 1 2 3 4 5 with your grown ups	https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-counting-songs/zn67kmn Sing 5 little monkeys jumping on the bed with your grown ups	https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-counting-songs/zn67kmn Sing one man went to mow with your grown ups	https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-counting-songs/zn67kmn sing 10 fat sausages with your grown ups

Literacy and pencil control	https://www.doorwayonline.org.uk/literacy/letterformation/ Practise your letter formation try writing them in your home school book too	https://www.youtube.com/watch?v=ovgPLvue164 Use your play dough and go to the dough disco	https://www.doorwayonline.org.uk/literacy/letterformation/ Practise your letter formation try writing them in your home school book too	https://www.youtube.com/watch?v=ovgPLvue164 Use your play dough and go to the dough disco	listen to the story of Zog https://www.bbc.co.uk/iplayer/episode/b0bwdw8y/zog can you write about the happy ending of the story?
Topic based activities	Last week we went on a trip on a bus – this week we were going in a rocket! Create your own rocket ship together to fly to the stars. You could make this from old boxes, plastic containers, scrap materials and other bits and bobs you can find. Cutting, creating, designing, imagining and inventing are all great learning opportunities. Where will your rocket ship travel to? Will there be a count down... 5, 4, 3, 2, 1, blast off?	Watch https://www.bbc.co.uk/cbeebies/shows/starazing Talk about stars and what you might see from your rocket Where and when will you see them? Use this as an opportunity to enrich your child's language and to have conversations.	You might land on a planet and discover some aliens Can you learn this new poem and draw a picture of the alien? I'd Love to be an Alien I'd love to be an alien... Where would I be from? A billion trillion miles away - The planet Megatron. I'd love to be an alien... Would I look quite scary? With eyes on all my hands and feet And nostrils extra hairy	Make your own stars You could draw them and cut them out. Can you make stars in different sizes and patterns? Perhaps you could make them out of different materials. You could try play dough or salt dough. Why not make some star biscuits and ice them. Remember to seek out the opportunities to develop their vocabulary and their understanding. Describe the stars you made. Are they stripy, shiny, sparkly, smooth, zigzagged, soft etc? Which one do you like the best and why? Can you make one that looks like a diamond in the night sky? This is great for learning about properties and scientific language.	Why not make a spaceship from your sofa cushions and other bits and bobs A spoon may be a gear stick or a colander might be a part of the control panel. Use what you have around the house. Pretend you are an astronaut on a mission. This creative activity is great for encouraging them to make up stories, be imaginative and enrich their language You may have toy figures that you can incorporate into the play. Your child may pretend to travel through the air and into space. Which planet will they go to? You can use language such as soar, speed, zoom, float and atmosphere.

	<p>Don't forget PE with Joe Wicks at 9a.m. Fresh air in the garden or a short walk are also important.</p> <p>Check out Cosmic Kids Yoga on You tube and join in a relaxing session at the end of the day!</p>	<p>Don't forget PE with Joe Wicks at 9a.m. Fresh air in the garden or a short walk are also important.</p> <p>Check out Cosmic Kids Yoga on You tube and join in a relaxing session at the end of the day!</p>	<p>Don't forget PE with Joe Wicks at 9a.m. Fresh air in the garden or a short walk are also important.</p> <p>Check out Cosmic Kids Yoga on You tube and join in a relaxing session at the end of the day!</p>	<p>Don't forget PE with Joe Wicks at 9a.m. Fresh air in the garden or a short walk are also important.</p> <p>Check out Cosmic Kids Yoga on You tube and join in a relaxing session at the end of the day!</p>	<p>Don't forget PE with Joe Wicks at 9a.m. Fresh air in the garden or a short walk are also important.</p> <p>Check out Cosmic Kids Yoga on You tube and join in a relaxing session at the end of the day!</p>
