Year 3

Summer Holiday Ideas

Following government guidance around "catch up" for pupils over the summer, we have put together a grid style learning plan (similar to the home learning you are familiar with) for you to continue with your child over the summer, if you wish. This will signpost you to a range of websites and activities that will support your child's learning. Also, please complete any remaining tasks from your home learning grids.

activities. Don't forget to save them when you have finished. https://www.coolmath4kids.com/ https://www.mathsisfun.com/ https://			learning. Also, please complete any remaining tasks from your home learning grids.
