

Christmas Card Project

Thank you for your support last year, by doing the Christmas Card Project, we managed to raise £309.70 towards treats for the children.

Once again, we have decided to take part in the Christmas Card project, with School Print World. This year the ordering process is slightly different to previous years, so please make sure you read this letter for the ordering and payment process.

Please find attached your child’s completed design that they have done in school and an order form. If you would like to order any products please fill in the order form and return to school no later than **Monday 19 September and please ensure payment has been made on the School Gateway before your order is returned. Orders cannot be placed without payment having been received.** The design and order form will then be sent to School Print World and your child’s design will be professionally printed. Orders should arrive back to school no later than the first week in December.

Please note that we are a cashless school, therefore all payments **MUST** be made on the School Gateway and not handed to school in an envelope. You will be able to make a payment on the School Gateway from today once you have received your order form.

Many thanks,

Mrs Little
